

# JOIN US TO LIGHT UP THE DAWN!

6AM 25 APRIL

RSL

Dear neighbour,

At 6am on 25 April, we will be standing on our driveway, lighting up the dawn in commemoration of our servicemen and women, past and present.

**We invite you to join us!**

## About Light Up The Dawn

Light Up the Dawn was an idea which originated within the Australian community. The RSL supported and promoted the idea across Australia in a year of great challenge and change.

As the sun peeked above the horizon, the country stood united – in uniforms or pyjamas, wearing medals, poppies and sprigs of rosemary – to let Australia's veterans know that their service and sacrifice will never be forgotten.

Given the tremendous community response to this initiative, RSL Australia will again help Australians come together this year – in their driveways, on their balconies, or in their living rooms – to commemorate Australia's deeply held ANZAC traditions.
